

Venture Business (M)

2 units (selection)

Target › Aims of the lecture are doing collaborative works with private enterprises and establishing venture businesses through such works.

Outline › The lecture is aiming at founding a venture business company as well as establishing collaborative research works with private enterprises. It's worth to apply their accomplishment to an actual society beyond the range of a laboratory work.

Goal › Objective of the lecture is to have experience and knowledge of collaborative works with private enterprises and to mature the works to venture businesses.

Evaluation Criteria › Credits are acknowledged in case of doing collaborative works with enterprises and/or maturing them to venture businesses. Handouts, reports, and presentation materials, etc. are evaluated to approve credits.
