(平成19年度以前の授業科目:『基盤英語』) (平成16年度以前(医保は17年度以前)の授業科目:『英語(1)』)

【授業の目的】 To give students opportunities to develop their English abilities through the exploration and discussion of a variety of themes. Students will develop their real-life communicative skills while expanding their vocabulary, grammar ability and fluency. A textbook will be used along with other items. Practice in the four skills (reading, writing, listening and speaking) will be provided during class and through homework.

【授業の概要】 Students are expected to speak and write only in English during class. There will be homework/projects outside of class, and students are expected to complete those assignments even if they are absent. There will be presentations, etc. The following class schedule is tentative and may be modified due to factors such as class size, etc.
